Subject: Division Directive Satisfied, Great American Resources LLC, Southern White/Mountain Rose Mine, S/001/0047, Beaver County, Utah

Dear Mr. Applegate:

On July 7, 2011, the Division of Oil, Gas and Mining required that you update your Notice of Intention to Commence Small Mining Operations (Notice) to show the 6.5 acres of disturbance. This map was supplied on May 15, 2012, by electronic mail. You have now satisfied the requirements of the Division Directive. The Division approves the map for inclusion in the Notice, and a copy stamped approved is enclosed for your records.

If you have questions or concerns regarding this letter, please contact me at (801) 538-5261 or Tom Munson at (801) 538-5321. Thank you for your help in completing this important regulatory requirement.

Sincerely,

Per PBB
